

To whom it may concern:

I am writing on behalf of Thomas Dyrland

I am the Program Manager for the International Air Traffic Control program at the University of North Dakota. I wish to offer a recommendation on behalf of Thomas Dyrland. I have had the opportunity to work for 9 months, with Thomas, as a student at the University of North Dakota.

I know Thomas to be a dependable, responsible, and well-organized individual. Thomas is very attentive. He evaluates the information then takes his time before making a decision. Thomas tries solving problems by looking at all available alternatives, evaluates, and then makes a mature decision based on the facts.

As a person, Thomas is moved by the intensity of the situation. He is passionate about his decisions, and will defend his belief in those decisions.

I believe Thomas could be an asset to your organization. Please feel free to contact me, if further comments or assistance is required.

Sincerely,

William H. Schroeder
